

Safety First

Thank you for considering Hayfields Country Club for your special day!

We are very hopeful that circumstances will change to allow every aspect of your Dream Day to be realized. Please be aware that at the current time we are adjusting and adapting to the best of our ability. Until further notice and when the State of Emergency is lifted, Hayfields Country Club will maintain all and every mandate and policy put in place by our State and Federal leaders to ensure the safety of all guests and our team. We will continue to operate under limited capacities with all social distancing measures and safety protocols being upheld.

Should you choose to book your Event with us, please note that you are agreeing to current policies and capacities, which may be different than those printed in this brochure. Should anything change after booking where capacities or restrictions are limited further OR they are lifted or lightened, the client and the Club will adjust accordingly based on availability. Your Sales Coordinator will work with you to offer the best guidance and information possible!

Thank You for understanding!
